MEET THE MOMENT, MEET THE TEAM

As we wrap up the current quarter, we're already looking forward to an exciting few months ahead. Read on for a sneak peek at our upcoming events and a warm welcome to our newest team members!

Surface Science Technology Workshop,

co-organized by

CoreTech Integrated (Singapore) and

Ulvac-PHI, Inc.

DATE: 10TH APRIL 2026, FRIDAY

TIME: 1400 - 1700 HOURS

LOCATION: FURAMA CITY CENTRE

(BALLROOM 1, LEVEL 5)

60, EU TONG SEN STREET, SINGAPORE 059804

JOIN US FOR AN ENGAGING WORKSHOP EXPLORING THE LATEST
ADVANCEMENTS AND APPLICATIONS IN SURFACE SCIENCE
TECHNOLOGY.

WE LOOK FORWARD TO SEEING YOU THERE!

SEE US AT LAB INDONESIA 2026!

We are excited to announce that CoreTech will be exhibiting at Lab Indonesia 2026, the premier B2B trade exhibition for laboratory technology, scientific equipment, and chemicals in Indonesia.

This is your chance to connect with our team, experience live demonstrations, and discover how we can provide innovative solutions for your challenges.

THE EVENT AT A GLANCE:

What: Lab Indonesia 2026 - 8th Edition

When: 15 - 17 April 2026

Where: Indonesia Convention Exhibition (ICE), BSD City, Indonesia

Our Booth: 5D28

EXHIBITOR'S PROFILE

Manufacturers, Exporters, Sole Distributors, Agents, Suppliers of instruments and equipment for the following:

- Analytical Systems
- Analysis and Instrumentation
- Agriculture & Food
- Biotechnology & Life Science
- Calibration Systems
- Chemical Process Technology, Chemical Handling, Transport & Storage
- Chemicals Reagent & Supplies
- Drug Discovery
- Environmental Sciences Testing
- Food Quality Assurance
- Safety Testing
- Forensic & Security Testing
- Hospital & Medical Equipment
- Laboratory Consumables
- Laboratory Data Systems & Documentation
- Laboratory Instruments
- Laboratory Testing
- Material Testing & Characterization
- Measurement, Testing & Calibration
- Medical Laboratory Manufacturing
- Nano Technology, Carbonation, Oxygenation
- Nanotechnology Testing
- Occupational Health & Safety Equipment
- Optical Imaging Systems & Microscopes
- Petrochemical & Petroleum Testing
- Pharmaceutical Testing
- Quality Assurance & Quality Control
- Research & Development
- Scientific Equipment
- Test & Measurement

VISITOR'S PROFILE

Scientists, Lab Managers, Lecturers, Research Officers, Quality Control, Biochemists, Microbiologists, Directors, Procurement Managers, and Analysts from the following:

- Advanced Materials
- Biotechnology
- Chemical Processing
- Education and Training
- Food & Beverage Processing
- Hospitals, Medical Centres & Diagnostic Labs
- Material Testing & Inspection
- Oils & Fats and Oleochemicals
- Pharmaceutical and Healthcare
- Petroleum and Petrochemicals
- Pollution Control
- Research Laboratories
- Rubber and Plastic Products
- Water & Waste Management
- Universities & Government Agencies

COME AND SAY HELLO TO THE CORETECH TEAM.

LET'S EXPLORE THE FUTURE OF LAB TECHNOLOGY.

MEET THE NEW MEMBERS OF OUR TEAM

WING MUI

Better late than never!
Meet **Wing**, who joined CoreTech last year and has already strengthened our team with his expertise in financial management, bookkeeping, and process improvements.

A Napier University Accounting graduate pursuing his CPA, Wing brings dedication to everything he does.

When he's not working, you'll find him enjoying sports and outdoor adventures. Welcome, Wing!

PEGGY CHAN

Please join us in welcoming **Peggy** to CoreTech! Based in Singapore, Peggy joins as our new Administrator, bringing experience in shipping, coordination, and documentation. She will support the team with administrative tasks and process efficiency.

Outside of work, she enjoys movies and traveling—and as we discovered during a recent karaoke session, she's also an avid singer!

HEATHER NG

Meet **Heather**, our newest Depot Engineer! A recent graduate, she brings hands-on experience troubleshooting electrical hardware and will focus on controller diagnosis, PCB repair, and testing.

Beyond the workbench, she enjoys handcrafts and traveling—especially meeting new people.

"I'm excited to join a collaborative team where I can keep learning and contributing," she shares. Welcome, Heather!

TEA
